FAQ's

Q: Can I retake courses I have already completed on FPU for more points?

A: No. Points can be earned for *new* courses and *courses not yet completed* as of June 1st.

Q: I completed a course on FPU, but I don't see my points on the Rewards Site?

A1: FPU Account email MUST MATCH Rewards Account email!! Users that already have FPU accounts MUST use that same email when creating their Rewards Point accounts, otherwise points will not be awarded.

A2: Point accounts are refreshed when a user clicks on their Points Balance, or logs out and in. Please complete these steps to register your points.

Q: I sold one of this month's target tools last month, can I just submit the invoice now?

A: No. Target tools must be sold within the Target month. Users that submit tool sales with sales dates after or before the target tool month are subject to permanent account suspension. (So please be careful!)

Q: Do my points expire?

A: No! Points roll over monthly

Q: Will the store ever carry other items?

A: Yes! Seasonal items will come and go, so check the shop page frequently for new items, as well as Clearance items for reduced points!

Q: What is next month's Target Tool?

A: The Target Tool Page on the Rewards site will update the 1st of every month, so check back frequently to see what that month's target tool is!

Q: I have points from the previous Rewards Program, can I use those on this site?

A: No. Points from the previous rewards program are not applicable in the new Rewards Program.

Q: I'm a technician, can I use the Rewards Program?

A: Not yet! A Technician Rewards Program is coming the next couple months, so keep an eye out on Fieldpiece Social channels for more info!
